**PARASITES** 

Anu Parts & Mare Kallas

### 1. DIVERSITY OF PARASITES

#### **WORKSHEET 1**

1. Search the Internet and make a list/compile a mini- dictionary of parasitic organism in alphabetical order. You can use English and add other languages you know. Try to find a parasite for each letter. Provide one sentence to define or characterize each parasite. Make your parasite ABC more attractive by adding illustrations.

http://www.healingdaily.com/colon-kidney-detoxification/what-are-parasites.htm

For example:

А	Ascariasis (roundworms)	Spread mainly in tropical regions, also in areas of poor hygiene
В	Body louse	Transmitter of epidemic typhus
С		
D		

Watch the videos and organise information <a href="http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=UTF-8&ei=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://video.google.com/videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://videosearch?hl=et&q=parasites&lr=&um=1&ie=b">http://videose

Parasite	Way of infection	Damaged organs	Symptoms

ive two conclusions from the table:

#### **PARASITES**

## Anu Parts & Mare Kallas

2. Parasites can be divided into two groups exo- and endoparasites. What's the meaning of these prefixes? Using analogy, try to compose a definition of the prefix.

Exo -	
Endo-	
To add more of invertebrates.	examples, go to Natural History Museum homepage and visit collections of Work in pairs.
