UNIT 5: PRESENTING EXPLORATION RESULTS – OUR TOWN AND THE WORLD

In this lesson you will present the results of your out-of-school exploration. Before the lesson you should decide how you are going to do it. You should not only answer the questions but support your exploration with maps, pictures or photographs. It would be best if you put everything on a large sheet of paper.

You can also invite your parents, grandparents or friends to school to listen to your group presentation.
