

5. EXPERIMENTING WITH LANGUAGES

Grouping:  (individual)

WORKSHEET 1

- Did you know that you can read and write in languages you do not speak? On the lines below, write down the email addresses of one or some of your partners and try to send them e-cards in English or / and a language of your choice. You can find multilingual e-cards at <http://www.wintranslation.com/sendcard/>. After selecting the card of your choice, you could add a text. Use the translating machine at <http://www.athropolis.com/translate.htm>, to translate your message in the language of your choice.
