

1. PROJECT PLAN – CARL VON LINNÉ

Grouping: 

WORKSHEET 1: TO DO LIST

Your group will create your own blog <http://blog.com/>

You will create a blog, where you will discuss your work and give each other feedback. You are supposed to write in different languages. You are to help each other, so that everyone in the group will understand everything that is written in the blog and in the blogs of the other groups.

The groups will read each other's blog and give feedback and comments, and so will the teachers.

- a) Create lists of vocabulary within your project in at least five different languages.
- b) Your group will create your own **wordles** based on your lists of vocabulary <http://www.wordle.net/>
- c) Your group will create crosswords or similar exercises <http://puzzlemaker.discoveryeducation.com/>
