

## 1. COUNTRIES AROUND THE WORLD SNAPSHOTS OF OUR EARTH FROM SPACE

---

**Grouping:**  (whole class)

### WORKSHEET 1:

---

1. The Earth reminded us of a Christmas tree ornament hanging in the blackness of space”, said astronaut James Irwin (Apollo 15, 1971) (from <http://www.solarviews.com/eng/earthsp.htm>). Seeing the Earth from space is a rare privilege we have only had in the last 50 years. Thanks to modern technology we can all enjoy a glimpse or two of our “home” from another perspective. Watch our pps presentation and find out if you share James Irwin’s view.
2. Express your thoughts and feelings

**Grouping:** A, B  (individual) and C  (small group)

- A. Write down a thought you had, or the feelings you experienced, while watching the presentation.
- B. What did you like best or what impressed you the most in this presentation?
- C. Discuss your answers with your partner/partners. Are there any similarities/differences?
